As a prominent, successful business for over 20 years in our Salem-Keizer community, The Athletic Edge would like to invite you to partner with us in sponsoring the 2019 Oregon State Optional Gymnastics Competition. This annual State Competition is held in different locations in Oregon each year and for 2019, The Athletic Edge was selected to host.

The Athletic Edge is a non-profit organization that provides the opportunity for kids to gain confidence, develop courage, a positive self-image, and learn the importance of teamwork. We currently serve over 1100 athletes and run a full scholarship program. All of our competitive gymnasts make a strenuous, year round athletic commitment that demands serious dedication and time management. Each gymnast must qualify throughout their season to participate at the State Competition and it is there that they aim to qualify and continue on to the Regional and National Meets or gain a State Title. We will have 12 sessions of gymnastics throughout the weekend bringing in over 700 gymnasts and their families from all over the state.

There is a lot of planning, organizing and financial obligation involved in hosting this event. We are asking for your financial support in making this a successful occasion for our local community. Please take a moment to review the information to see the benefits of participating as a sponsor. Sponsorships must be received by February 28th. If you would like to participate, please fill out the information below and send it with your check to:
