

The Athletic Edge Learning Center

At the AE Learning Center, we believe in the whole child and each child is celebrated for who they are and what they can become. In a child's early years, they are learning critical language, cognitive, social, and motor skills that will enable them to be successful in school and in life.

The most important goal of an early childhood curriculum is to help children become enthusiastic learners. This means encouraging children to be active and creative explorers who are not afraid to try out their own ideas and to think their own thoughts.

Our goal is always to see our students grow and succeed not only in school but in life with a strong, empathetic character that will help to guide them through their futures.

Our thematic curriculum is designed to follow the developmental milestones that are unique to each individual child. We take into consideration where each child is in their stages of development, based on careful observation, and we tailor our lessons to meet their individual needs. Our curriculum follows current, best practices in early childhood education and is aligned with the Oregon State Early Learning Standards.

Students will travel through each classroom where they will participate in math, science, art and literacy centers, a dramatic play area, and snack and outdoor play time. Students will also have opportunities to hear stories and learn songs about the world around them.

3 Year Old Program

The Athletic Edge

The Athletic Edge was founded by Walter and Jacque Wagner and in 1996 they incorporated as a 501(c)3 non-profit organization. They dreamed of developing a business that provided the families of our community an opportunity to explore adventure, fun, athletics, learning and family. Over the years, they have seen their dreams begin to come to true. AE currently offers Gymnastics for all ages, Ninja Warrior, Tumbling and Trampoline, Special Needs and Health and Wellness Classes. We also have a fully licensed preschool with classes for 3 and 4 year olds. In early 2020 we will open our Indoor Adventure Park offering an affordable, family friendly atmosphere!

The Mission Statement of AE:

- Educate the general public regarding the many connections between fitness and health;
- To promote and facilitate the participation of the public, especially young people and people with disabilities in fitness and sports;
- To provide opportunities for young people to develop crucial lessons and values including wholesome character, fitness, teamwork, cooperation, competition, and an overall striving for excellence;
- To provide an alternative to unsupervised activities in which youth “at risk” can and do get into trouble or difficulties including crime and drug abuse;
- To use sports and athletic activities involving people from all countries and cultures in the building of bridges in communication and sensitivity to cultural diversity.

Gymnastics & More

In our gymnastics facility, we offer a wide variety of classes for children who are just starting to walk in our parent participation class to age 18 where many gymnasts compete Nationally and move on to compete in college.

We also offer classes in Ninja Warrior, Tumbling and Trampoline, Special Needs and Health and Wellness.

Gymnastics is the base for all sports, teaching balance, hand-eye coordination, strength and flexibility. This is a great place to learn to follow basic instructions and socialize with other great kids and families.

Enrollment is easy! We offer online registration and your first class is always a free trial class, so we have the opportunity to meet each child and family that walks into our program. We strive to keep our business family oriented.

For our parents, we have a wonderful All Around Café and Bar upstairs with a perfect viewing area of the entire gym for you to relax, get some food and drinks, and enjoy watching your child. We also have a “Kids Zone” upstairs with toys and a TV for siblings to stay entertained.

Annual Membership Fee \$40 due June 1st

Adventure Park

The Athletic Edge Adventure Park is the Valley’s newest indoor family fun center offering a family friendly atmosphere for all ages. The park has private party rooms, a café serving food, grab and go items, an espresso bar, wines from around the Valley and a host of brews and ciders on tap. The park has a 3 story play structure, a miniature golf course, corn hole, bocce ball, a golf simulator, game and puzzle tables and so much more.

The Adventure Park will host special theme nights offering family trivia, bingo, and weekly food specials. We welcome groups for field trips, teambuilding, team parties and fundraising events. We will have special “Toddler Time” during the week for children 5 & under.

**For the Adventure Parks hours, prices and special events please visit our website and like us on Facebook. All parties and events can also be booked thru our website.*
