

# And the Rose Goes to... *Your Gymnast!*

Here's your opportunity to send your gymnast a message during her State Championship Meet. Your daughter will receive a typed, personalized message, a fresh long-stemmed rose and her favorite candy hand-delivered to her at march-in/warm-up before her session begins.

We encourage you to use this pre-order form so your gymnast can receive your thoughtful message and gift prior to her competition. There will be a limited supply for sale at each session at the meet and if you buy at the competition, the price will be higher and her gift will be delivered to her *after* her competition while waiting for awards to begin.

## So please order ahead!

Just complete the bottom half of this flyer and mail it with a \$6.00 payment by **April 13th** to the address provided. Remember, the price will increase the weekend of the meet so please make sure to send in your order now.
